

MONTHLY SCHOOL BULLETIN – NOVEMBER 2022

Regional School Liaison Officer for East Wales

“Planning and preparations are in place across the Local Authorities in East Wales to implement different projects and training opportunities for schools to get involved with using the Welsh Government funding allocated to support Service children. Communications will soon be sent to Schools to advertise these, and we hope to engage and involve as many schools as possible.” **Emilee**, Emilee.Kinsey@newport.gov.uk

Participation Lead Officer

“We are delighted that five Armed Forces Friendly Schools from across Wales have accepted our invitation to participate in the Little Troopers well-being course throughout this term. The course has been created to be delivered within a school setting and is for all Service children; giving them the opportunity to talk, feel listened to and gain a sense of inclusion. If your school is interested in participating in the Primary or Secondary school Little Troopers well-being course, then please contact us.” **Jo**, Joanna.wolfe@wlga.gov.uk
