

NOW I'M THANKING YOU

You put your life on the line
Just to let us live our lives
And I know you well, and I'm here to tell, ya
That where you go you shine

Now I'm thanking you
For everything you do
Now I'm thanking you
For everything you do

I'm so proud of you, you know
You will always be my hero
Please come back home, I don't want to be alone
And I want you to know

That I'm thanking you
For everything you do
Now I'm thanking you
For everything you do

You're courageous, brave and strong
You've been gone for far too long

Now I'm thanking you
For everything you do
Now I'm thanking you
For everything you do
